Comments:

-- If you're going to use the word "only" in a sentence, make sure you use it correctly. It's not just a filler word. It's a word that has a specific meaning. If you use it incorrectly, you can confuse your reader. So, if you're going to use the word "only," make sure you know what you're doing. It's not just a word. It's a tool. Use it wisely.
